Choose from the following options to register for a BMC Education Services course:

- › Register online for BMC Software courses at: <http://www.bmc.com/education>
- › Contact your [BMC Education Advisor](#) for help with registration

PURPOSE OF SKILLS ASSESSMENT

BMC AMI Command Center for Db2® (previously Workbench for Db2®) provides secure self-service for Database Administrators with an intuitive, web-based interface to manage Db2 databases and data.

The **BMC AMI Command Center for Db2® 13.x: Fundamentals Using Skills Assessment for DBAs** is to be taken by customers and partners to check their skills for key product areas **BEFORE** registering for any Command Center for Db2® 13.x trainings. Based on the result analysis, BMC can provide a recommendation on which training courses would fill potential skill gaps.

The skills assessment is not an exam and is not meant to test individuals but to provide students and teams an overview of existing and missing skills to select the appropriate training. Assessment takers shouldn't prepare and retake the assessment to avoid receiving incorrect recommendations.

Reviewed Skills

The knowledge around the following topics is checked:

- › Workspaces, templates, object sets management
- › Recovery and backup handling
- › Data Sets
- › Db2 Schemas and SQL Commands
- › SQL statements tuning and troubleshooting
- › Schema Standards for SQL DDL statements
- › Rules using SmartSwitch management

Getting Started

Step 1.

Register for the skills assessment. The skills assessment is free of charge for all customers and partners.

Step 2.

Review the assessment results yourself or ask BMC to provide a report and feedback with training recommendations.
