EXAM REGISTRATION

Choose from the following options to register for a BMC Education Services course:

› Register online for BMC Software courses at: **www.bmc.com**

› Contact your BMC Education Advisor for help with registration

PURPOSE OF EXAM

Companies deploying and using TrueSight Capacity Optimization realize full value only when their solution is effectively implemented, operated and administrated. To ensure deployments, administration and operations are performed to best practice standards, BMC Software maintains a technical certification program.

The **BMC Certified Professional: TrueSight Capacity Optimization 11.x Online Proctored Exam** will validate the competencies needed to successfully use TrueSight Capacity Optimization.

Skills Tested

Participants will be tested on their knowledge of the following:

» Work with Open ETLs
» Describe entity lookup and reconciliation
» Perform data warehouse administration
» Create custom views
» Cloud Cost Control advanced administration

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Professional exam and also improve their knowledge and skill level to help build proficiency with the solution:

» BMC TrueSight Capacity Optimization 11.x: Advanced Administering
» BMC TrueSight Capacity Optimization 11.x: Developing Custom Views
» BMC TrueSight Cloud Cost Control 11.x: Advanced Administering
