

BMC Certified Professional: BMC TrueSight Capacity Optimization 10.x Practical Exam

Certification Brief

CERTIFICATION NAME

- › BMC Certified Professional for BMC TrueSight Capacity Optimization

CERTIFICATION Exam CODE

- › ASSR-CERT-TCO107-PP

REQUIRED PREREQUISITES

- › *BMC Certified Professional: BMC TrueSight Capacity Optimization 10.x Online Assessment*

TARGET AUDIENCE

- › Individuals responsible for implementing the **BMC TrueSight Capacity Optimization** solution

PRACTICAL EXAM DETAILS

- › Exam duration is 4 days
- › Exam will be offered in a BMC Education Services training facility
- › Classroom environment with individual servers
- › Proctored by BMC Education Services
- › Participants must bring a laptop

PURPOSE OF EXAM

Companies implementing BMC TrueSight Capacity Optimization 10.x realize full value only when their solution is effectively implemented. To ensure implementations are performed to best practice standards, BMC Software maintains a technical certification program.

The **BMC Certified Professional for BMC TrueSight Capacity Optimization 10.x** Practical Exam will validate the technical competencies and implementation methods needed to successfully implement out-of-the-box (OOTB) baseline functionality for BMC TrueSight Capacity Optimization.

Skills Tested

Participants will be tested on their knowledge of the following:

- › Install and configure the TrueSight Capacity Management Infrastructure
- › Configure multiple ETLs to bring in data
- › Configure Resource Monitors, Time Filters, Users, and Groups
- › Create various Analyses (Quick Analysis, Analysis from Templates)
- › Create various Correlations & Forecasts
- › Create a Queue Network Model
- › Create and Schedule a Report
- › Create a Capacity Pool
- › Create a Custom View with Data Mart
- › Create a Reservation

Getting Started

Step 1. Register and pay for the *BMC Certified Professional: BMC TrueSight Capacity Optimization 10.x Online Assessment*. Participants receive access to the Self-Study Kit and the Online Assessment. Partners are required to register from the Partner Portal.

Note: Participants will have access to the Online Assessment after registering and will have up to three opportunities to pass the certification Online Assessment. Participants who **do not pass** the Online Assessment after the third attempt may register and pay to regain access to the certification Online Assessment and Self-Study Kit.

Certification Brief

COURSE REGISTRATION

Choose from the following options to register for a BMC Education Services course:

- › Register online for BMC Software courses at: www.bmc.com/education
- › Contact your BMC Education Advisor for help with registration

RETAKE POLICY

- › Participants who fail the Certification exam may register and pay for the next available offering of the exam

Step 2. Study and prepare for the certification Online Assessment and Practical Exam. Allow a minimum of six weeks to study and prepare.

Step 3. Pass the *BMC Certified Professional: BMC TrueSight Capacity Optimization 10.x Online Assessment*.

Step 4. After passing the online assessment, register and pay for the *BMC Certified Professional: BMC TrueSight Capacity Optimization 10.x Practical Exam*.

Self-Study Kit

When participants register and pay for the certification Online Assessment, they will receive access to a study kit developed by industry experts. The Self-Study Kit is designed to help prepare for the certification Online Assessment and Practical Exam; it is not intended to be a formal piece of training. The study kit is self paced and contains built-in knowledge checks designed to reinforce understanding of the product.

Recommended BMC Software Courses

In preparing for the certification Online Assessment and Practical Exam, relying solely on the study kit may not be sufficient. To supplement your knowledge and skill level, and to help build proficiency with the solution, the following BMC Education Services courses are strongly recommended:

- » *BMC TrueSight Capacity Optimization 10.7: Using New Features (WBT)*
- » *BMC TrueSight Capacity Optimization 10.x: Fundamentals for Users*
- » *BMC TrueSight Capacity Optimization 10.x: Fundamentals for Administrators*

Recommended Experience

- » Minimum one year experience implementing BMC TrueSight Capacity Optimization
