PURPOSE OF EXAM

Companies implementing BMC TrueSight Operations Management realize full value only when their solution is effectively implemented. To ensure implementations are performed to best practice standards, BMC Software maintains a technical certification program.

The BMC Certified Professional: TrueSight Operations Management 11.x Online Proctored Exam will validate the competencies needed to successfully implement, operate and administrate TrueSight Operations Management.

This exam has been recently updated to the most recent product release 11.3.04.

Skills Tested

Participants will be tested on their knowledge of the following:

- » TrueSight Operations Management event management functionality
- » Event Adapters
- » Event Groups
- » Event Rules and Policies

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Recommended BMC Software Courses

To supplement your knowledge and skill level, and to help build proficiency with the solution, the following BMC Education Services courses are strongly recommended:

- » *TrueSight Operations Management 11.x: Advanced Event Management*
