PURPOSE OF EXAM

Companies implementing the TrueSight Server Automation realize full value only when their solution is effectively implemented. To ensure deployments and operations are performed to best practice standards, BMC Software maintains a technical certification program.

The BMC Certified Associate: TrueSight Server Automation 20.x: Online Exam tests candidates' knowledge and skills on the TrueSight Server Automation solution.

Skills Tested

Participants will be tested on their knowledge of the following:

- › TrueSight Server Automation Architecture
- › Compliance Auditing and File Deployment
- › Patch Management
- › Security
- › Health Dashboard
- › TrueSight Server Automation Console
- › Live Reporting
- › TrueSight Automation Console

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Associate exam and also improve their knowledge and skill level to help build proficiency with the solution:

- › *TrueSight Server Automation 20.x: Fundamentals Administering - Part 2*

BMC Certified Associate: TrueSight Server Automation 20.x Online Exam

Certification Brief
