BMC AMI DEVX CODE PIPELINE

BMC AMI DevX Code Pipeline (ISPW) 22.x for Administrators Online Exam

 bmc

Learning Path >

Certification Code: CPIW-CERT-ADM221-CA

Modality	Duration	Applicable Versions	Target Audience
Online – Non-Proctored	2 Hours	22.x	• Administrators

Purpose of Exam

BMC AMI DevX Code Pipeline (ISPW) is a modern mainframe Software Change Management tool. With BMC AMI DevX Code Pipeline, you'll have the confidence of knowing that you can quickly and safely change, build, test, and deploy mainframe code.

As an AMI DevX Code Pipeline Administrator, you will use AMI DevX Code Pipeline to maintain the REXX Execs, JCL, panels, messages, and skeletons. To ensure deployments, administrators and operators are performed to best practice standard. BMC Software maintains a technical certification program.

The **BMC AMI DevX Code Pipeline (ISPW) 22.x for Administrators Online Exam** will validate the technical competencies needed to successfully understand product configuration, perform effective administration of ISPW using maintenance functions, and troubleshoot problems.

Skills Tested

Participants will be tested on their knowledge of the following:

- Basic Control-M concepts
- Configuration of BMC Compuware ISPW
- ISPW Change Life cycle
- Maintenance Tables
- Generate processing
- Exit Processing
- Component Reference
- Set Processing
- Deployment Processing
- APIs
- ISPW Security

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Prerequisites

- NA

Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Associate exam and improve their knowledge and skill level to help build proficiency with the solution:

- BMC AMI DevX Code Pipeline (ISPW) 22.x: Fundamentals Administering
- BMC AMI DevX Code Pipeline (ISPW): Fundamentals Developing (WBT)

For more information about BMC Education Services, visit **www.bmc.com/education**.

Getting Started

Step 1. Take the recommended courses for the Certified Associate learning path. Purchase the required exam (attempts)
Step 2. Study and prepare for the exam. BMC recommends 6 weeks and also a minimum of [3] months experience with the product before taking the exam.
Step 3. Take and pass the exam.
Step 4. If you have failed the exam, purchase another exam attempt, and start at step 2.

Register and pay for the Exam → Study for the Exam → Pass the Exam → Receive Certification
