

BMC Mainframe: Essential Subscription z/OS Foundation - Developers, Technicians & Specialists

COURSE ABSTRACT

CURRICULUM CODE

- » MGRS-ESS-SUBS-ZOFD

DELIVERY METHOD

- » Subscription-based – Instructor-led Training (ILT)

Subscription Overview

This subscription is designed for newcomers to the mainframe world, and provides a set of courses that will teach the essential skills needed by everyone starting a career in a Z Systems environment.

Using examples, demonstrations, and scenarios, the content of the online education subscription provides an overview of BMC Mainframe z/OS Foundation concepts.

Note: This content is part of an annual subscription and is regularly updated and changed, without notice, based on product updates, improvements, and additions. During the duration of the subscription, users will have access to the latest content without incurring additional fees or being subject to additional registrations.

Target Audience

- » Developers
- » Technicians
- » Specialists
