

# BMC Certified Associate: Helix Innovation Studio 22.x for Developers Online Exam

## Certification Brief

### CERTIFICATION NAME

- › BMC Certified Associate: Helix Innovation Studio 22.x for Developers Online Exam

### CERTIFICATION Exam CODE

- › SPPT-CERT-ISD2210-CA

### APPLICABLE VERSIONS

- › BMC Helix Innovation Studio 22.1.06

### PREREQUISITES

- › None

### TARGET AUDIENCE

- › Administrators
- › Developers

### EXAM DURATION

- › 2 Hours

### EXAM REGISTRATION

## PURPOSE OF EXAM

BMC Helix Innovation Studio helps you to build your own applications with the help of different designer consoles, deploy them for the end users of these applications, and manage or configure them. You can develop an application without having to know or learn a programming language. It helps you establish data requirements, expose fields for your user interface, and implement complex, powerful business processes.

BMC Helix Innovation Studio is based on a Model View Controller pattern, which helps you to separate database tables, business logic, and user interface.

The **BMC Certified Associate: Helix Innovation Studio 22.x for Developers Online Exam** will validate the technical competencies needed to successfully design and develop a Codeless Application in BMC Helix Innovation Studio.

## Skills Tested

Participants will be tested on their knowledge of the following:

- › Access BMC Helix Innovation Studio
- › Navigate through multiple consoles of BMC Helix Innovation Studio
- › Explain the process of Codeless application development
- › Use Innovation Studio to build a fully functional codeless application
- › Explore the consoles and designers involved in codeless application development
- › Define Records, Views, Processes and Rules
- › Define Named Lists and Associations
- › Design Application Shell
- › Discuss permissions, Roles and Security labels
- › Explain the process of application deployment
- › Create export packages for installation and update of the application
- › Explain the process to leverage the BMC Helix ITSM Foundation data

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

## Certification Brief

Choose from the following options to register for a BMC Education Services Exam:

- › Register online for BMC Software certification exam at: [www.bmc.com/education](http://www.bmc.com/education)
- › Contact your [BMC Education Advisor](#) for help with registration

### RETAKE POLICY

- › Participants who fail the Certification exam may register and pay for an exam then make another attempt after waiting one week
- › Participants are limited to 4 attempts per year

## Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Associate exam and also improve their knowledge and skill level to help build proficiency with the solution:

- » *BMC Helix Innovation Studio 22.x: Fundamentals Developing Codeless Application (ILT)*
- » *BMC Helix Innovation Studio 22.x: Fundamentals Developing (WBT)*

## Getting Started

**Step 1.** Take the recommended courses for the Certified Associate learning path. Purchase the required exam (attempts).

**Step 2.** Study and prepare for the exam. BMC recommends 6 weeks and also a minimum of [3] months experience with the product before taking the exam.

**Step 3.** Register for an exam date as indicated in the confirmation email.

**Step 4.** Take and pass the exam.

**Step 5.** If you have failed the exam, purchase another exam attempt and start at step 2.

## Examination Details

- » Exam is an online exam.
- » Further details and terms and conditions are available in the [BMC Certifications Program Guide](#) and [BMC Education Certification Policy](#).

## Additional Recommended Resources to Study

- » BMC Helix Innovation Studio Product Documentation
- » BMC Helix Communities

## Recommended Experience

- » Minimum 3 months experience developing, operating, or administering BMC Helix Innovation Studio
