- › Helix ITSM 18.08, 18.11, 19.02, 20.02

PREREQUISITES

- › BMC Certified Associate: AR System 20.x for Administrators Online Exam
- › BMC Certified Associate: Helix ITSM 20.x for Administrators Online Exam

TARGET AUDIENCE

- › Administrators and Consultants

EXAM DURATION

- › 2 Hours

PURPOSE OF EXAM

BMC Helix ITSM streamlines and automates the processes around IT service desk, asset management, and change management operations. It also enables you to link your business services to your IT infrastructure to help you manage the impact of technology changes on business and business changes on technology — in real time and into the future.

The BMC Certified Professional for Helix ITSM Certification Exam will validate the technical competencies needed to successfully deploy, operate and administer out-of-the-box (OOTB) baseline functionality for BMC Helix ITSM.

Skills Tested

Participants will be tested on their knowledge of the following:

- › ITSM architecture and components
- › Configuration of foundation data
- › Definition of categorization, assignments, notifications, templates and prioritization
- › Implementation and use of Release Management, Asset Management, Incident Management and Change Management
- › Types of user roles and permissions
- › Workflows and processes for different request types
- › Importing of data
- › Use of Service Level Management and Service Level Agreements

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Associate exam and improve their knowledge and skill level to help build proficiency with the solution:

- › BMC AR System 20.x: Fundamentals Administering - Part 1 (WBT)
- › BMC AR System 20.x: Fundamentals Administering - Part 2 (ILT, VLT, ASP)
- › BMC Helix ITSM 20.x: Fundamentals Administering – Part 1 (WBT)
- › BMC Helix ITSM 20.x: Fundamentals Administering – Part 2 (ILT, VLT)
