- › 2 Hours

PURPOSE OF EXAM

BMC Remedy Smart Reporting is an easy-to-use report writer for non-technical users, delivering drag-and-drop simplicity for formatting and data selection. It is designed to reuse components, such as Source Connections and Views.

The MC Certified Associate: Helix ITSM - Smart Reporting Designing Certification Exam will validate the technical competencies needed to successfully create custom reports and the use of other functionalities such as Freehand SQL, Subquery, and Advanced Authoring in BMC Remedy Smart Reporting.

Skills Tested

Participants will be tested on their knowledge of the following:

- › Types of reports which can be created and accessed
- › Features of the Freehand SQL and Advanced Authoring functionalities
- › Use of Smart Reporting to create a basic Custom report
- › Creation of aBucket Analysis report
- › Modifications to KPI reports
- › Use of Freehand SQL to create a report
- › Use of Advanced Authoring
- › Creation of reports with Union Sub Query

For detailed information around these topics, refer to the course abstract(s) for the recommended course(s).

Recommended BMC Software Courses to Prepare for the Certification

The following course offered by BMC Education Services prepares the participants to take the Certified Associate exam and also improve their knowledge and skill level to help build proficiency with the solution:
