Subscription Overview

BMC Helix Remedyforce is a cloud-enabled IT Service Management solution that delivers service desk, self-service, and inventory management capabilities. The solution is hosted on the Software as a Service (SaaS) Force.com platform from Salesforce.

Using examples, demonstrations, and scenarios, the content of the online education subscription provides an overview of BMC Helix Remedyforce and details the use of this solution to identify and remediate system vulnerabilities.

Note: This content is part of an annual subscription and is regularly updated and changed, without notice, based on product updates, improvements, and additions. During the duration of the subscription, users will have access to the latest content without incurring additional fees or being subject to additional registrations.
