- » BMC Helix ITSM – Smart IT 20.x: Fundamentals Using (WBT)

Course Overview

Remedy with Smart IT sets a new standard for the modern workplace with an intuitive, social, and mobile service desk experience to enable a more knowledgeable and collaborative workforce organized around IT roles, not modules.

This course provides students with the information and hands-on lab exercises for configuring and administering Smart IT.

IMPORTANT: The **BMC Certified Associate: Helix ITSM - Smart IT 20.x Online Exam** examination is included in this course. Taking the exam and pursuing certification is optional. You will have one attempt to pass the exam. Retakes according to the **BMC Certification Policy** are available for an additional fee. Those who pass will receive the title of **BMC Certified Associate: Helix ITSM - Smart IT 20.x**.
