 - Certification (CERT)

TrueSight Capacity Optimization: Ultimate Subscription

Subscription Overview

TrueSight Capacity Optimization is a digital enterprise management solution that aligns IT resources with service demands and business priorities, resulting in on-time service delivery and optimized costs.

Using examples, demonstrations, scenarios and laboratory exercises the content of the online education subscription helps you develop skills in TrueSight Capacity Optimization administration and configuration and details the use of this solution to help you use the product effectively.

Note: This is an annual subscription and is regularly updated and changed, without notice, based on product updates, improvements, and additions. During the duration of the subscription, users will have access to the latest content without incurring additional fees or being subject to additional registrations.

Target Audience

- » Administrators
- » Consultants

Learner Objectives

- » Get familiar with the TrueSight Capacity Optimization
- » Understand concepts and architecture of TrueSight Capacity Optimization and its components
- » Learn to administer TrueSight Capacity Optimization
- » Understand features and functionalities of TrueSight Capacity Optimization
- » Learn to use TrueSight Capacity Optimization effectively to increase efficiency of your business
- » Get certified to implement, operate and support TrueSight Capacity Optimization

TrueSight Capacity Optimization: Ultimate Subscription
