

How to Use Cariloop's Caregiver Support Platform® to Find Care

Need a sitter for date night? In-home help for a parent?

Use the Cariloop Find Care feature to quickly search and book trusted options for your whole crew—kids, seniors, and more.

What You Can Do:

- ✓ **Search and book vetted care providers** through trusted partner networks
- ✓ **Submit a care request**, and we'll help you find personalized options

We Help You Find:

Daycares and preschools

Sitters, nannies, and backup care

Assisted living and in-home senior care

Skilled nursing and memory care

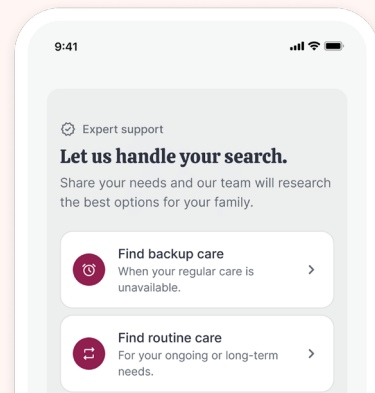

Pet care

Household services

How it works:

- 1** Log in with the QR code or URL below.
- 2** Click on Find Care in the left-side menu.
- 3** Search or submit a care request.
- 4** Get curated results and next steps.
- 5** Book or move forward, all in one place.
